It is our great pleasure to invite you to participate in the 10th International Workshop on Multidimensional (nD) Systems (nDS 2017) at the University of Zielona Góra, Zielona Góra, Poland from September 13 to September 15, 2017.

The workshop presents the current state of the art and recent advances in the theory and applications of multidimensional systems. It is also a forum for researchers from a wide variety of different scientific areas and application fields to discuss this research.

Keynote talks by

Pan Agathoklis, University of Victoria (CA)

Tom Oomen, Eindhoven University of Technology (NL)

Call for Papers

Please submit your manuscripts (4-6 pages) via EasyChair at <https://www.easychair.org/conferences/?conf=nds2017>

Detailed instructions on paper submission are given at the conference web site <http://www.nds2017.uz.zgora.pl>
The proceedings should be available at IEEE Xplore

Call for Special Sessions

Please submit proposals for special sessions by email to: nds17@uz.zgora.pl. Proposals must include a session outline and for each paper the name of the main author and a short abstract.

Deadlines

Submission of papers and special session proposals	April 26, 2017
Notification of acceptance or rejection	May 29, 2017
Final Papers due	June 26, 2017

Please check <http://www.nds2017.uz.zgora.pl> regularly for updates.
